

## Shilpi Joshi

### Associate

Shilpi has over 15 years of experience as a Learning and Organisational Development professional. Ten of those years as a Senior Leader in the financial / regulatory services and media industries. Shilpi brings you her experience as a senior leader, a strategic partner with executive leadership groups and experience in working on large-scale transformational change projects.

Shilpi has experience in setting the strategic direction of Organisational Development within businesses including Leadership and Talent Development, Employee Engagement, Diversity and Inclusion, Learning & Development and Performance Management.

Shilpi has worked both within organisations in senior leadership roles and as an external consultant, coach and facilitator across companies from a range of industries including Advertising and Media, Technology, Banking and Finance, Pharmaceutical and Professional Services. Shilpi's flexible style and her ability to provide pragmatic, commercially driven solutions means that she is a trusted and respected leader, adviser and coach. Shilpi also has extensive experience as a facilitator and trainer, having worked on projects such as facilitation of strategy planning workshops, creative problem solving and high-performance team development.

Shilpi is Co-Chair of the very successful **Talent Management Think Tank (TMTT)** and an Associate with Melbourne Business School.

She is accredited in LSI and GSI, Hogan Profiling Assessment Tools, DDI Success Profiling and Cert IV Assessment and Training. She holds a Masters of Communication Disorders and a Bachelor of Applied Science (Speech Pathology), from the University of Sydney.
