# SENIOR EXECUTIVE LEADERSHIP PROGRAM

## Discover high-performance leadership to drive exceptional results

The Senior Executive Leadership Program aims to develop and sharpen the skills needed for those more experienced leaders who are vital to driving the outcomes and shaping the future of your organisation. This fully tailored leadership development solution is aligned specifically with your organisation and the development objectives for your people. Ideal for middle and senior managers, right through to your senior executive team. Participants will work with experienced Leadership Facilitators who will encourage and challenge their individual learning, setting them up for immediate success upon return to the workplace.

Develop the skills to bring a leadership mindset to every aspect of your team's performance and encourage an environment of excellence with this tailored program.

### Program Content

The program encourages participants to interact with their peers, learning from each other's experiences and strengthening valuable networks. One-on-one coaching, facilitated sessions and experiential activities allow participants to practise newly gained skills in a safe, non-threatening environment. A combination of group work and skills practice provide a counterpoint to the individual reflection and action-planning sessions.

### Learning Outcomes

# FACILITATION OF STRATEGIC PLANNING SESSIONS

## Maximise the effectiveness of your strategic planning sessions

It is vital that you not only allocate time for strategic planning for your organisation but that you also maximise that time to generate an effective output. talkforce are experienced at structuring and facilitating planning days for organisations of all sizes and across various sectors. As an independent facilitator, we can manage the process, so your people are able to focus on the content to achieve better, clearer outcomes.

A crucial benefit of having an independent facilitator is the freeing your senior people from leading or steering the session, giving everyone a greater sense of ownership of the plan. Our effective and efficient facilitation planning services ensure your people have the necessary time and context to develop ideas, and that the plan of action is accurately recorded.

### Facilitation Approach

We are experienced at managing groups and working with different styles of people, to ensure everyone is engaged and has input into the session. We can facilitate strategy or planning sessions either at your office or off-site allowing your people distance from their day-to-day environment and office distractions.

### Learning Outcomes

**Our facilitator will ensure that your session will:**

- Be outcome focused
- Ensure objectives are clearly set up and achieved
- Create an environment where all participants feel comfortable contributing
- Employ a tested 'divergent-convergent' model
- Ensure the session stays on track and time is spent on the key issues
- Use questions to challenge, clarify or draw out all ideas and thoughts
- Build practical action plans
- Develop a document after the session capturing the key points discussed and the actions agreed

#### Recommended for:

Teams looking to develop strategy, generate new ideas, or achieve consensus in a limited time frame.

# INDIVIDUAL DEVELOPMENT COACHING

## Accelerate your leadership journey with personalised development

For many leaders, the most effective path to new levels of sustainable performance lies in Individual Development Coaching. A personal coaching program provides the opportunity to meet the specific needs of an individual through tailored content, either as a stand-alone initiative or as an extension of a development course.

Discover your potential and unlock new areas of performance as a leader with the customised, focused support of a highly effective one-on-one coaching program.

### Coaching Options

Built on proven, effective coaching modules, Individual Development Coaching programs are available to suit a range of leadership roles and requirements, including:

- Executive Coaching – structured for individuals seeking all-round development, aligned to business goals.
- Skills Coaching – focused instruction to rapidly advance the development of a specific skill area, such as communication, presentation skills, negotiation, media or selling.
- Situational Coaching – tailored support for specific situations and opportunities, including multi-party negotiations, keynote delivery, performance appraisal preparation and more.

### Learning Outcomes

**The tailored nature of individual coaching programs ensures the skills outcomes are aligned to each participant. Upon completion of a coaching program, participants will be able to:**

- Increase their level of awareness relative to the focus skill
- Enhance their understanding of skills and techniques
- Improve the application of learned skills
- Prepare written plans to guide development and action

# BUILDING RESILIENCE

## Create more effective, sustainable teams through more resilient individuals

Organisations are dealing with change at an unprecedented pace. Driven by increasing complexity, market pressures and agile working environments, issues related to productivity, overwork and burnout are common. Leaders and team members need to find ways to build their own resilience and help build resilience in others, in order to maintain both productivity and wellbeing.

Build your team's ability to respond to and manage increasing pressure and stressors through this practical, inclusive workshop.

### Workshop Content

This workshop provides participants with insights into their approach and strategies for building and maintaining resilience. Utilising tools and techniques based on current research in psychology and neuroscience, participants learn practical strategies and discover tools to help develop resilience.

This workshop can be run as a half day or full day to include aspects of managing and leading through change. A recommended optional addition\* is the PR6 Personal Resilience Assessment Tool which provides individuals with a full personal resilience report to help guide their own development.

### Learning Outcomes

**Upon completion of this workshop, participants will be able to:**

- Consider the context of the current environment and its impact on wellbeing
- Understand the importance of resilience as a way to achieve wellbeing and personal success
- Recognise how resilience can impact individual and team performance

# PRESENTING WITH IMPACT

## Persuade, influence and lead through effective group communication

The most visible and effective traits of any leader are the ability to command a room, deliver informative material and influence opinion. This workshop breaks down the art of presenting into manageable steps, from preparation through to delivery. It provides the tool-set to continually improve performance, from novices through to more experienced presenters to even the most discerning and demanding audiences.

### Workshop Content

This highly interactive workshop covers practical aspects of effective presentation, offers participants the opportunity to practice their skills in a live environment and provides strategic feedback for improvement.

The workshop content focuses on 3 areas:

- **Preparing for Success** - managing nerves, understanding the audience, presentation logistics, developing a clear purpose, length and timing
- **Structuring to Engage** - structuring your content, incorporating story telling, shaping your message and selecting appropriate visual support
- **Delivering to Connect** - creating a powerful first impression, managing audience interaction and developing tone, feel and style.

Participants will present in front of the group in a range of different formats which will be recorded, enabling peers and the facilitator to provide specific feedback on delivery and style.

### Learning Outcomes

**Upon completion of this workshop, participants will be able to:**

- Prepare and deliver persuasive presentations more confidently
- Identify audience needs to improve strategic preparation
- Develop a clear theme and purpose for their presentation
- Use frameworks to structure presentations more effectively
- Incorporate story-telling to engage audiences
- Use techniques to manage nerves
- Be more effective when presenting ideas and recommendations to internal or external clients
- Understand and demonstrate key delivery skills, including body language and voice

# EFFECTIVE COMMUNICATION SKILLS

## Build more impactful communication skills in your team

Communication skills sit at the heart of the modern workplace. Highly effective communicators focus on understanding their audience and adapting their style to achieve maximum cut-through. Arming your team with a toolkit of styles and techniques will build their skills and enhance their ability to craft messages and convey information with clarity and direction.

Improve your communication effectiveness with techniques, styles and improved understanding of individuals, their motivations and behaviours.

### Workshop Content

This workshop focuses on helping people of all experience levels to lift their communication ability and effectiveness by tuning up techniques and emphasis. We take a practical approach to different types of communication to make you more effective in what you need to do.

- Different communication modes/formats, styles and techniques
- Improve your questioning and listening
- Recognise the importance of understanding the audience
- Communication techniques for remote working
- Tailoring messages for different occasions and audience
- Barriers that often prevent clear communication
- Communication frameworks for both impromptu and prepared scenarios

### Learning Outcomes

**Upon completion of this workshop, participants will be able to:**

- Identify appropriate communication styles and strategies to employ in a variety of situations
- Use verbal and non-verbal communication skills to build rapport
- Employ styles and strategies to achieve goals and reduce conflict

# DISC | UNDERSTANDING SELF AND OTHERS

## Adopt a powerful framework for aligning your message to your audience

Highly effective communicators focus on individual understanding of their audience just as much as they work on crafting their message. This workshop offers a proven framework for quickly developing an understanding of audiences – and your own communications style – through the well-regarded DiSC behavioural model.

Improve your communication effectiveness with an enhanced understanding of your audience, their motivations and behaviours.

### Workshop Content

Leaders of all levels will unlock new levels of communication skills with this engaging, practical workshop focusing on understanding human behaviour, rather than personality. Following the general principles of the DiSC model, explore communication styles to improve the real-world application of communication skills.

#### Includes DiSC Profiling

Accelerate your team's understanding and application of the learning with an individual DiSC profile.

- A secure link to the official DiSC website activated approximately 10 days before the workshop.
- Participants complete the personalised instrument, which forms the basis for their report.
- Individual reports and debriefs are delivered as part of the workshop
- Access to My Everything DiSC is activated following the workshop, providing participants the option of sharing styles and suggested ways to improve communication with colleagues.

#### Learning Outcomes

Upon completion of this workshop, participants will be able to:

- Leverage an improved understanding of self and others
- Identify how behaviour impacts effectiveness
- Discover behavioural strengths and value differences in others
- Identify appropriate communication styles and strategies to achieve goals and reduce conflict
- Understand how styles interact
- Use verbal and non-verbal communication to build rapport with both internal and external contacts

# NEGOTIATING AND INFLUENCING FOR OUTCOMES

## Give yourself an advantage through influencing and negotiating skills

More than price and timing, negotiation and influencing skills can be used to position, add value, direct agreements and improve terms & conditions. Honing these skills can increase your performance and lead to more favourable outcomes more consistently. This workshop gives you a fully integrated approach to negotiation and influence and will help you prepare and improve your performance in what can sometimes be challenging, sensitive or contentious situations.

### Workshop Content

The practical nature of this workshop incorporates both theory and skills practice to improve how you set objectives, gather information and understand stakeholders, so you can identify the difference between your thinking and theirs. Content includes developing your strategy through thorough preparation, refining communication and tactics and understanding and identifying the tactics that your audience may use on you. Finally, the workshop takes a thorough look at effective negotiation execution.

### Learning Outcomes

**Upon completion of this workshop, participants will be able to:**

- Understand their communication and negotiation style and identify the style of others to gain better results
- Conduct effective stakeholder analysis to establish the appropriate approach for specific situations
- Maintain their relationships without devaluing their position
- Use a core framework to plan and prepare for strategic negotiation scenarios
- Communicate more effectively through adequate positioning
- Deal more effectively with difficult people
- Identify and use tactics and techniques for simple and complex negotiations as well as for internal and external situations
- Gain increased confidence in individual negotiation style and skills

# DIFFICULT CONVERSATIONS

## Be prepared for those conversations that matter

When critical issues arise in an organisation, difficult conversations invariably follow. The success of those conversations is often determined by the individual's ability to manage and lead uncomfortable or difficult discussions. This workshop arms your team with the skills and tools to effectively prepare for and conduct difficult conversations, by analysing typical patterns and motivations in high-tension encounters.

You will reduce friction, remove roadblocks and foster more productive business conversations in addition to building valuable conflict-resolution skills within your organisation with this practical workshop.

### Workshop Content

This workshop is highly interactive and can be customised to reflect the group's specific experiences.

Exploring common themes, patterns and misconceptions of workplace conflict, participants will learn the key steps to prepare for and lead a successful conversation around a difficult issue.

The training includes tailored, relevant case studies and practice sessions to experiment and understand the most effective approach to successfully conduct a difficult conversation.

### Learning Outcomes

**Upon completion of this workshop, participants will be able to:**

- Understand how to create conditions for healthy dialogue
- Prepare for conversations to succeed
- Depersonalise issues by reframing to a neutral position
- Migrate from blame to problem-solving
- Identify and manage emotions
- Develop your own style under stress
- Employ tactics to encourage agreement
- Recognise unsafe conversational factors and restore trust
- Challenge with respect
- Manage stress in others – and yourself

#### Recommended for:

# DEALING POSITIVELY WITH CONFLICT

## Develop the skills to manage conflict to ensure positive outcomes for team performance & culture

The goal of successful conflict management is not its elimination, but to reduce its harmful effects and unlock the positive benefits. Your team can achieve this by gaining an understanding of conflict drivers and developing the skills and techniques to manage different situations that arise and how best to respond.

### Workshop Content

This workshop enables participants to understand the different types of conflict and the benefits of generating constructive debate, new ideas and a dynamic team environment.

The workshop focuses on three areas:

- **Understanding Conflict** - defining conflict situations, identifying sources of conflict/challenge, understanding different perspectives, reading a situation and conflict indicators, how values and motivations influence behaviour, conflict management styles
- **Communicating Positively and Effectively in Conflict Situations** - the power of language and active listening in minimising conflict, using the right questions to uncover needs, assertive vs. aggressive communication, thinking professionally not personally, planning your approach, tackling objections
- **Resolving Conflict** - managing conflict and maintaining relations, flexible resolution skills

### Learning Outcomes

**Upon completion of this workshop, participants will be able to:**

- Recognise the different types of conflicts and why it can be a positive influence
- Approach a conflict situation with a toolkit of positive actions to deliver more constructive outcomes
- Understand the physiological responses to conflict and how this influences the behaviour we choose
- Identify steps to navigate a difficult conversation
- Develop an approach to address conflict within teams
- Identify their preferred conflict management style in addition to other styles, and when to use them
- Recognise constructive and destructive responses in managing conflict

#### Recommended for:

Anyone in the position of needing to manage difficult situations and conversations.

# PROBLEM SOLVING AND CREATIVE THINKING

## Unleash your creative thinking skills for more effective problem solving

Remember how creative you were when you were younger? In our fast-moving “busy work” world, we rarely make time to allow ourselves to simply think differently in order to solve problems or challenges. Tackling an issue through creative thinking will make you and your team more effective and create a more collaborative, rewarding way forward.

Unlock your innate ability to think creatively, contribute better ideas and become a more innovative problem solver and leader with this instructive and tailored workshop

### Workshop Content

Built on the premise that Creativity is not only a skill, but also a mindset, this practical and insightful workshop examines the way we think to unlock a deeper understanding of creativity to problem solve.

Participants will harness a proven 8-step problem solving model for maximising creative thought in order to brainstorm and mind-stretch, allowing more creative ideas and solutions for business challenges to surface.

Tools for overcoming barriers to creativity and for promoting clearer, more productive thinking, round out the workshop material.

### Learning Outcomes

**Upon completion of this workshop, participants will be able to:**

- Have confidence in their ability to access new thinking and creative thinking
- Have the ability to generate new ideas individually or in groups
- Recognise and address the barriers that limit your ability to think differently
- Have practical tools and a framework for idea generation and problem solving

#### Recommended for:

Anyone who needs to think creatively or look at ideas from a different perspective.
